Assessment

Design and Visual Amenity: Are the following acceptable?

Impact on street scene, including subservience, terracing and building line	✓
Height and massing	✓
Facing materials and detailing	✓
Roof style	✓
Window proportions	✓
Bin storage	✓
Impact on trees	✓

While the use of a flat roof would not be wholly in-keeping with the host dwelling, it is noted that the extension is not publicly visible and the size of the extension is relatively small compared to the host property.

The design of the proposal is therefore acceptable and accords with CS Policies DM1 and P3, PfE Policy JP-P1, the SPD and the NPPF.

Residential Amenity: Are the following acceptable?

Impact on privacy, light & outlook of neighbours (to sides, rear and front)	✓
Light and outlook of application property	✓
Remaining garden space of application property	✓

The proposed extension would include a window within the side elevation that would face the rear garden of no. 15 Woodlands Way at a distance of approximately 1.9m. However, it is noted that views would be restricted by the existing timber boundary fence, which would provide adequate screening.

The proposal is therefore acceptable in terms of residential amenity and accords with CS Policy DM1, PfE Policy JP-P1, the SPD and the NPPF.

Highways and Parking: Are the following acceptable?

Impact on highway safety	✓
Parking provision	✓

The proposal is therefore acceptable in terms of highways and parking and accords with CS Policy T2, CS Appendix 5 and the NPPF.

and the development shall be carried out in accordance with these drawings hereby approved unless otherwise required by the conditions below.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the saved Rochdale Unitary Development Plan, the adopted Rochdale Core Strategy, the Places for Everyone Joint Development Plan and the National Planning Policy Framework.

3. The materials used in the construction of the exterior of the works hereby consented shall be in accordance with the details included within the planning application form.

Reason: In order to ensure a satisfactory appearance in the interests of visual amenity in accordance with policies P3 and DM1 of the adopted Rochdale Core Strategy, policy JP-P1 of the Places for Everyone Joint Development Plan and the National Planning Policy Framework.
