Details of the pre-application advice received

We granted planning permission in May last year and therefore a free-go for a development of similar character is available. I would expect the developer to re-apply for all 8 dwellings in addition to submitting all the technical information which was previously required via condition so that the only conditions which could be attached to any permission are the 'Prior to first occupation' requirements.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
