Email feedback on the previous proposal to create 6no. guest house rooms extension, as annexed to Fern Hill B&B (withdrawn application 22/00887/FUL). The scheme would be more suitable if according to the maximum extension in green belt rule of 35%. Furthermore, the conservation officer's feedback on the more traditional design was concerning in terms of the risk of creating a pastiche addition. Therefore, this new proposal seeks to purposefully create something which is clearly a contemporary addition, but is also enhances the heritage asset by taking reference from it (I.E. the window groupings).

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
