Part I - Particulars of Application

Date of Application: 6 February 2023

Application No: 22/01463/FUL

Proposal:	Sub division of end terrace to one pair of back-to-back dwellings including relocation of doorway to rear elevation
Location:	10 Ash Street, Rochdale, OL11 3AP,

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **REFUSED** for the carrying out of the development referred to in Part I hereof for the following reason(s).

1. As a result of its height, siting, scale and design, the proposed fencing would be an intrusive, incongruous addition to the character and appearance of the surrounding street scene. Taken as a whole, the proposal fails to produce a satisfactory standard of design and does not take the opportunity to improve the character and quality of the area. The application is therefore contrary to the requirements of Policies DM1 and P3 of the adopted Rochdale Core Strategy, and guidance contained within the National Design Guide and policies within the National Planning Policy Framework.
2. The proposed development would, by reason of its height, siting and design would fail to safeguard the significance of the adjacent Town Head Conservation Area, nor preserve or enhance the identified Grade II listed buildings, or adjacent Non-Designated Heritage Assets, and would result in less than substantial harm to their significance, which is not justified, mitigated, or outweighed by public benefit. On this basis the application is contrary to Policies P1, P2, P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Procedure Statement:

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application.
