Part I - Particulars of Application

Date of Application: 9 April 2024

Proposal:	Two-storey side and rear extension, creation of new vehicle access and car parking
Location:	23 Rhodes Green, Middleton, M24 4SL,

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **REFUSED** for the carrying out of the development referred to in Part I hereof for the following reason(s).

Reasons:

- 1 By virtue of its size, scale and design, the proposed development would constitute poor design and would be an incongruous addition to the host property. The extension would not be sufficiently in-keeping with the host property and would have a prominence which would harmfully alter the character and appearance of the host property and wider street scene. The proposed development therefore fails to improve the character and quality of the area, contrary to policies DM1 and P3 of the adopted Rochdale Core Strategy, policy JP-P1 of the Places for Everyone Joint Development Plan, the Council's adopted Supplementary Planning Document 'Guidelines and Standards for Residential Development' and the National Planning Policy Framework.

Procedure Statement:

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application.
