Part I - Particulars of Application

Date of Application: 12 July 2024

Proposal:	Two storey side extension
Location:	24 Whitegate, Littleborough, OL15 8PU,

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **GRANTED SUBJECT TO CONDITIONS** for the carrying out of the development referred to in Part I above.

The Council hereby permits the above development in accordance with the details given on the application form and subject to the following condition(s):

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The permission relates to the following plans:
- o Location Plan - received 12/07/2024
 - o Existing and Proposed Site Plan - Drawing No. 24.3369.3A received 04/11/2024
 - o Existing Floor Plans - Drawing No. 24.3369.1 received 12/07/2024
 - o Existing Elevations - Drawing No. 24.3369.2 received 12/07/2024
 - o Proposed Floor Plans - Drawing No. 24.3369.SC1.1A received 12/07/2024

and the development shall be carried out in accordance with these drawings hereby approved.

Reason: For the avoidance of doubt, and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy, the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 3 Notwithstanding any description of materials in the application, no above ground construction works shall take place until samples and / or full specifications of materials to be used externally on the building(s) have been submitted to and approved in writing by the Local Planning Authority. For the avoidance of doubt, such details shall include the type, colour and texture of the materials and, where stonework is proposed, a one metre square freestanding panel of stonework showing the type of natural stone, coursing, jointing and mortar mix and finish. The development shall be carried out in accordance with the approved details.

Reason: In the interests of amenity and to protect the significance of the non-designated heritage asset, in compliance with Policies P2, P3 and DM1 of the adopted Rochdale Core Strategy, Policies JP-P1 and JP-P2 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 4 Notwithstanding any description of materials in the application, no above ground construction works shall take place until samples and / or full specification of materials of the proposed doors and windows have been submitted to and approved in writing by the Local Planning Authority. Such details shall include detailed elevation and cross-section drawings, and the type, colour and texture of the materials. The development shall be carried out in accordance with the approved details.

Reason: In order to ensure a satisfactory appearance in the interests of visual amenity and to protect the significance of the non-designated heritage asset, in accordance with Policies P2, P3 and DM1 of the adopted Rochdale Core Strategy, Policies JP-P1 and JP-P2 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 5 Notwithstanding any description of materials in the application, no above ground construction works shall take place until details of the roof lights to be installed in the roof of the approved development have been submitted to and approved in writing by the Local Planning Authority. For the avoidance of doubt, roof lights shall be of a 'Conservation Style' and shall be set flush with the roof slope or as close as is practicable. The development shall be carried out in accordance with the approved details thereafter.

Reason: In the interest of visual amenity and in the interest of preserving the significance of non-designated heritage asset, in accordance with Policies P2, P3 and DM1 of the adopted Rochdale Core Strategy, Policies JP-P1 and JP-P2 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 6 Notwithstanding any details of boundary treatments within the application, the demolition of the existing front boundary wall, or any replacement otherwise, shall not take place until such time as details of its replacement have been submitted to and approved in writing by the local planning authority. The boundary treatments shall be installed in accordance with the approved details and retained as such thereafter.

Reason: In the interest of visual amenity and in the interest of preserving the significance of non-designated heritage asset, in accordance with Policies P2, P3 and DM1 of the adopted Rochdale Core Strategy, Policies JP-P1 and JP-P2 of the adopted

Procedure Statement:

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.

Date Decision Issued 16 January 2025

Melanie Hale
Head of Planning Services

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:

The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

INFORMATIVE:

The applicant is reminded of the need to submit and obtain formal approval of those details required by the conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is currently subject to payment of an additional fee per request: £43.00 for householder applications and £145.00 in all other cases.

INFORMATIVE:

This decision does not imply consent to carry out any work which may encroach over a common boundary. Such work may include excavation, positioning of walls, fences or other construction such as roofs or gutters which overhang the boundary line. The applicant is therefore advised to obtain the consent of any landowner prior to the commencement of such work. The applicant's attention is also drawn to the provisions of the Party Wall Act 1996, which sets out the rights and responsibilities of adjoining landowners in respect of the construction or alterations of any party walls, excavations and other construction works adjacent to the boundary line. Before proceeding with the development professional advice on the provision of the Act should be sought. "The Party Wall etc. Act 1996: explanatory booklet" is available free of charge from: <https://www.gov.uk/guidance/party-wall-etc-act-1996-guidance>.

INFORMATIVE:

Bats can be mobile and cryptic in their habits, and can turn up in unexpected places. Under the Wildlife and Countryside Act 1981 it is an offence to capture, injure or kill a bat, deliberately disturb a bat, or damage or destroy a bat roost. Planning consent does not provide a defence against prosecution under this act. If bats are encountered at any time during works, work must cease and advice sought from a suitably qualified person about how best to proceed.

INFORMATIVE:

The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from coal mining. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological fissures; mine gas and previous surface mining sites. Although such hazards are often not readily visible, they can often be present and problems can occur as a result of development taking place, or can occur at some time in the future.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required, be submitted alongside any subsequent application for Building Regulations approval.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.
