- ☐ **The plans do not include a balcony or raised platform**
- ☐ **The plans do not include the alteration of a microwave antenna**
- ☐ **The plans do not include the alteration or installation of a soil and vent pipe**
- ☐ **The plans do not include the alteration to any part of the roof of the dwellinghouse**

Finally, paragraph A.3 of the above order stipulates that development is permitted by Class A subject to the following conditions-

- a. The materials used in any exterior work (other than materials used in the construction of a conservatory) must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;
- b. Any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse must be-
 - i. Obscure-glazed, and
 - ii. Non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed; and
- c. Where the enlarged part of the dwellinghouse has more than a single storey, the roof pitch of the enlarged part must, so far as practicable, be the same as the roof pitch of the original dwellinghouse.

The proposed materials for construction would be similar in appearance to the exterior of the existing dwellinghouse and consists of a single storey extension.

Recommendation: Grant

The proposal constitutes permitted development by virtue of compliance with the requirements of Schedule 2, Part 1, Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).
