

Town and Country Planning Act 1990 (as amended)

PLANNING PERMISSION GRANTED

APPLICATION REFERENCE: 24/00286/FUL

Name and address for correspondence:	Applicant name:
Richard Coburn	mr sheraz khan

Part I - Particulars of Application

Date of Application: 21 June 2024

Proposal:	Change of use from nail bar into self-contained flat
Location:	31-33 First Floor , York Street, Heywood, Rochdale, OL10 4NN

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **GRANTED SUBJECT TO CONDITIONS** for the carrying out of the development referred to in Part I above.

The Council hereby permits the above development in accordance with the details given on the application form and subject to the following condition(s):

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 This permission relates to the following plans:-

- Noise Impact Report (Spratt and Hamer, 21969 V1, 13/09/2024)
- Proposed elevations and layouts: CL 03245882/2
- Existing and proposed site plans: FO 042458882/4
- Location plan: CL 03245882/3

And the development shall be carried out in complete accordance with these drawings hereby approved.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy, the saved Rochdale Unitary Development Plan and the National Planning Policy Framework.

- 3 No works for the replacement or insertion of any windows shall take place until full product specifications for the windows at a scale of not less than 1:50, to be used on the development hereby approved, have been submitted to and approved in writing by the Local Planning Authority. The windows and doors shall be installed in accordance with the approved details thereafter.

Reason: In the interests of visual amenity and in accordance with policies P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 4 The development hereby approved shall be carried out in line with the requirements of the submitted noise impact assessment (Spratt and Hamer, 21969, 13/09/2024) to achieve the following internal noise levels:

- o 35 dB(A) Leq (16 hour) in the bedrooms with windows shut and other means of ventilation provided between 7 am and 11pm;
- o 30dB(A) Leq 8 hour in the bedrooms with windows shut and other means of ventilation provided between 11pm and 7am;
- o 35 dB(A) Leq (16 hour) in the living room/s with windows shut and other means of ventilation provided between 7 am and 11pm;
- o 40dB(A) Leq (16 hour) in other habitable rooms with windows shut and other means of ventilation provided at all times.

No part of the development shall be occupied until such time as a verification report has been submitted to and approved in writing by the Local Planning Authority to confirm that the approved ventilation and acoustic measures have been implemented to achieve the required maximum noise levels. The noise attenuation measures shall be retained as installed thereafter in perpetuity.

Reason: To safeguard the amenities of residents in order to comply with the requirements of Policies G9 and DM1 of the adopted Rochdale Core Strategy, JP-P1 of the Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 5 The bin storage area as shown on the plan (Proposed elevations and layouts: CL 03245882/2) shall be made available for its intended purpose prior to the first occupation of the development hereby approved and retained as such thereafter.

Reason: To ensure the provision of satisfactory and secure facilities for storage of refuse and in the interests of visual amenity in accordance with policy P3 of the Rochdale Unitary Development Plan and the National Planning Policy Framework.

Procedure Statement:

Date Decision Issued 20 September 2024

Melanie Hale
Head of Planning Services

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:

The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

INFORMATIVE:

The applicant is reminded of the need to submit and obtain formal approval of those details required by the conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is currently subject to payment of an additional fee per request: £34.00 for householder applications and £116.00 in all other cases.

INFORMATIVE:

The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from coal mining. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological fissures; mine gas and previous surface mining sites. Although such hazards are often not readily visible, they can often be present and problems can occur as a result of development taking place, or can occur at some time in the future.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required, be submitted alongside any subsequent application for Building Regulations approval.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.

INFORMATIVE:

The applicant is advised that the supply and delivery of refuse containers (including all wheelie bins and food waste caddies) for residential developments is chargeable and the responsibility for these charges rests with the applicant/developer. The cost is based on a variable rate per property depending on the property size and number of bedrooms but as an indication, the present charge for a suite of three 240l recycling bins and one 240l refuse bin is £144 per residence. Please contact environmental.management@rochdale.gov.uk for a quotation for your development.
