Assessment

Design and Visual Amenity: Are the following acceptable?

Impact on street scene, including subservience, terracing and building line	✓
Height and massing	✓
Facing materials and detailing	✓
Roof style	✓
Window proportions	✓
Bin storage	✓
Impact on trees	✓

The proposed development is a single storey side extension following the demolition of the existing flat roofed garage/utility. The existing garage extends past the front elevation by 0.5m and the proposed development will extend past the front elevation by 1.3 m. The SPD sets out that extensions or alterations should be carefully designed to protect the amenity of neighbours. The existing dwelling made up of red brick and white render, the proposed material is red brick. This can be conditioned to match the existing dwelling to maintain a high standard of design.

The design of the proposal is therefore acceptable and accords with policies DM1 and P3 of the adopted Rochdale Core Strategy, the SPD and the NPPF.

Residential Amenity: Are the following acceptable?

Impact on privacy, light & outlook of neighbours (to sides, rear and front)	✓
Light and outlook of application property	✓
Remaining garden space of application property	✓

The proposed development will have a window on the front and side elevation, there are no dwellings directly opposite therefore the proposed development will not have an impact on privacy. The proposed window on the side elevation should be obscure glazing as it serves a bathroom, this will also prevent any negative impact on privacy.

The proposal is therefore acceptable in terms of residential amenity and accords with policy DM1 of the adopted Rochdale Core Strategy, the SPD and the NPPF.

Highways and Parking: Are the following acceptable?

Impact on highway safety	✓
Parking provision	✓

The proposal will not have an impact on the number of off street parking spaces.

The proposal is therefore acceptable in terms of highways and parking and accords with policy T2 and Appendix 5 of the adopted Rochdale Core Strategy and the NPPF.

Recommendation: Grant subject to the following conditions

1. The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

2. This permission relates to the following plans:

Proposed Site, Block and Location Plan 906 - 05
Proposed Elevations 906 - 08A
Proposed Ground Floor Plan 906 – 06
Proposed Roof Plan 906 – 07A

and the development shall be carried out in complete accordance with these drawings hereby approved.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the saved Rochdale Unitary Development Plan, the adopted Rochdale Core Strategy and the National Planning Policy Framework.

3. The materials used in the construction of the exterior of the development hereby permitted shall match those used in the construction of the exterior of the existing building in colour, form, type, size and texture.

Reason: In order to ensure a satisfactory appearance in the interests of visual amenity in accordance with policies P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

4. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any equivalent Order following the amendment, re-enactment or revocation thereof) prior to first occupation of the extension / building hereby permitted the window in the ensuite on the ground floor on the elevation facing east shall be fitted with, to a height of no less than 1.7m above finished floor level, textured glass which obscuration level is no less than Level 3 of the Pilkington Glass scale (or equivalent) and retained as such thereafter.

Reason: In the interest of amenity and in compliance with policy DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Article 35 Statement

The Local Planning Authority worked proactively with the applicant to identify various solutions during the application process to ensure that the proposal comprised sustainable development and would improve the economic, social and environmental conditions of the area and would accord with the development plan. These were incorporated into the scheme and/or have been secured by planning condition.
