Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Rotation and relocation of the proposed pod around the corner of the corridor

Please state why you wish to make this amendment

The original proposed location has been found to contain considerable underground drainage services and connection that make the location unsuitable, as these connections would become un-maintainable.

The proposed location is clear of services, and places the Changing Places pod in the same area for public access, and a little nearer to the point of access for the WC facilities.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
