Part I - Particulars of Application

Date of Application: 7 February 2023

Proposal:	First floor rear extension with side porch following partial demolition to rear of dwelling wall decrease in ridge heights with alteration to fenestration on front and side elevation
Location:	Handle Cottage , Calderbrook Road, Littleborough, Rochdale, OL15 9NR

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **GRANTED SUBJECT TO CONDITIONS** for the carrying out of the development referred to in Part I above.

The Council hereby permits the above development in accordance with the details given on the application form and subject to the following condition(s):

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The permission relates to the following plans:

- o Existing Location Plan - Drawing No. 1313.001 dated 11/2022
- o Proposed Site Plan - Drawing No. 1313.101 dated 11/2022
- o Existing Ground Floor Plan - Drawing No. 1313.002 dated 11/2022
- o Existing First Floor Plan - Drawing No. 1313.003 dated 11/2022
- o Existing South East and North East Elevation - Drawing No. 1313.004 dated 11/2022

- o Existing North West Elevation and Section Plan - Drawing No. 1313.005 dated 11/2022
- o Proposed Ground Floor Plan - Drawing No. 1313.102 dated 11/2022
- o Proposed First Floor Plan - Drawing No. 1313.103 dated 11/2022
- o Proposed South East and North East Elevation - Drawing No. 1313.104 dated 11/2022
- o Proposed North West Elevation and Section Plan - Drawing No. 1313.105 dated 11.2022

and the development shall be carried out in accordance with these drawings hereby approved.

Reason: For the avoidance of doubt, and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 3 Notwithstanding any description of materials in the application, no above ground construction works shall take place until samples and / or full specifications of materials to be used externally on the building(s) have been submitted to and approved in writing by the Local Planning Authority. For the avoidance of doubt, such details shall include the type, colour and texture of the materials and, where stonework is proposed, a one metre square freestanding panel of stonework showing the type of natural stone, coursing, jointing and mortar mix and finish. Where masonry detailing is required, details drawn at a scale of not less than 1:20 shall also be submitted. The development shall be carried out in accordance with the approved details.

Reason: In order to ensure a satisfactory appearance in the interests of visual amenity and to protect the significance of the non-designated and designated heritage asset, in accordance with Policy P2, P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 4 Notwithstanding any description of materials in the application, no above ground construction works shall take place until samples and / or full specification of materials of the proposed doors and windows have been submitted to and approved in writing by the Local Planning Authority. The proposed windows shall be constructed in timber and painted to match the timber windows of the existing dwelling. Such details shall include detailed elevation and cross-section drawings, and the type, colour and texture of the materials. The development shall be carried out in accordance with the approved details.

Reason: In order to ensure a satisfactory appearance in the interests of visual amenity and to protect the significance of the non-designated and designated heritage asset, in accordance with Policy P2, P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Procedure Statement:

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:

The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

INFORMATIVE:

The applicant is reminded of the need to submit and obtain formal approval of those details required by the conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is currently subject to payment of an additional fee per request: £34.00 for householder applications and £116.00 in all other cases.

INFORMATIVE:

This decision does not imply consent to carry out any work which may encroach over a common boundary. Such work may include excavation, positioning of walls, fences or other construction such as roofs or gutters which overhang the boundary line. The applicant is therefore advised to obtain the consent of any landowner prior to the commencement of such work. The applicant's attention is also drawn to the provisions of the Party Wall Act 1996, which sets out the rights and responsibilities of adjoining landowners in respect of the construction or alterations of any party walls, excavations and other construction works adjacent to the boundary line. Before proceeding with the development professional advice on the provision of the Act should be sought.

INFORMATIVE:

Bats can be mobile and cryptic in their habits, and can turn up in unexpected places. Under the Wildlife and Countryside Act 1981 it is an offence to capture, injure or kill a bat, deliberately disturb a bat, or damage or destroy a bat roost. Planning consent does not provide a defence against prosecution under this act. If bats are encountered at any time during works, work must cease and advice sought from a suitably qualified person about how best to proceed.

INFORMATIVE:

The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from coal mining. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological fissures; mine gas and previous surface mining sites. Although such hazards are often not readily visible, they can often be present and problems can occur as a result of development taking place, or can occur at some time in the future.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required, be submitted alongside any subsequent application for Building Regulations approval.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.
