Part I - Particulars of Application

Date of Application: 13 February 2023

Proposal:	Two storey side extension, repositioning of dropped kerb and installation of electric gate access. Resubmission of 22/00824/HOUS,
Location:	7 Davyhulme Street, Rochdale, OL12 9BW,

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **GRANTED SUBJECT TO CONDITIONS** for the carrying out of the development referred to in Part I above.

The Council hereby permits the above development in accordance with the details given on the application form and subject to the following condition(s):

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The permission relates to the following plans:

- o Location Plan - dated 09/06/2022
- o Existing Site Plan
- o Proposed Site Plan - Rev. 1 received 23/06/2023
- o Existing Floor Plans - Drawing No. 1 dated 04/2022
- o Existing Elevations - Drawing No. 2 dated 04/2022
- o Proposed Floor Plans - Drawing No. 3 Rev. 3 dated 04/2022
- o Proposed Elevations - Drawing No. 4 Rev. 3 dated 04/2022

and the development shall be carried out in accordance with these drawings hereby approved.

Reason: For the avoidance of doubt, and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 3 The materials used in the construction of the exterior of the development hereby permitted shall match those used in the construction of the exterior of the existing building in colour, form, type, size and texture.

Reason: In order to ensure a satisfactory appearance in the interests of visual amenity in accordance with policies P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 4 Notwithstanding any description in the application, no above ground works shall take place until full product specifications for the false door, at a scale of not less than 1:50, to be used on the development hereby approved, have been submitted to and approved in writing by the Local Planning Authority. The false door shall be installed in accordance with the approved details thereafter.

Reason: In the interests of visual amenity and in accordance with policies P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 5 The development hereby approved shall not be occupied until such time as the bin store as shown on the approved site plan ref. Sheet 3 Rev. 3, dated 04/2022, has been constructed in complete accordance with the approved plans and made available for use. The approved refuse store shall be retained and maintained as such thereafter.

Reason: In the interest of the character and appearance of the street scene and in accordance with Policies P3 and DM1 of the adopted Core Strategy and National Planning Policy Framework.

- 6 No part of the development shall be occupied until details of the type, siting, design and materials to be used in the construction of boundary treatments including the approved entrance gate have been submitted to and approved in writing by the Local Planning Authority and the approved structures have been erected in accordance with the approved details. The structures shall thereafter be retained.

Reason: In the interests of amenity and in compliance with Policies P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:

The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

INFORMATIVE:

The applicant is reminded of the need to submit and obtain formal approval of those details required by the conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is currently subject to payment of an additional fee per request: £34.00 for householder applications and £116.00 in all other cases.

INFORMATIVE:

This decision does not imply consent to carry out any work which may encroach over a common boundary. Such work may include excavation, positioning of walls, fences or other construction such as roofs or gutters which overhang the boundary line. The applicant is therefore advised to obtain the consent of any landowner prior to the commencement of such work. The applicant's attention is also drawn to the provisions of the Party Wall Act 1996, which sets out the rights and responsibilities of adjoining landowners in respect of the construction or alterations of any party walls, excavations and other construction works adjacent to the boundary line. Before proceeding with the development professional advice on the provision of the Act should be sought.

INFORMATIVE:

Bats can be mobile and cryptic in their habits, and can turn up in unexpected places. Under the Wildlife and Countryside Act 1981 it is an offence to capture, injure or kill a bat, deliberately disturb a bat, or damage or destroy a bat roost. Planning consent does not provide a defence against prosecution under this act. If bats are encountered at any time during works, work must cease and advice sought from a suitably qualified person about how best to proceed.

INFORMATIVE:

The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from coal mining. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological fissures; mine gas and previous surface mining sites. Although such hazards are often not readily visible, they can often be present and problems can occur as a result of development taking place, or can occur at some time in the future.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required, be submitted alongside any subsequent application for Building Regulations approval.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.

INFORMATIVE:

The applicant is reminded of the need to provide a standard vehicle access crossing which will require a separate permission from the Council as Highways Authority for the works. The works will be required to be approved and implemented in full prior to the first use of the approved development.
