Details of the pre-application advice received

Thanks for your email. I have reviewed the plans and it is my view that planning permission will be required. Listed building consent will also be required, if any of the works touch the grade I listed Cenotaph.

The applications would need to be accompanied by a heritage statement.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
