Part II - Particulars of decision

The Rochdale Metropolitan Borough Council hereby give notice in pursuance of the above-mentioned regulations that consent has been **GRANTED** for the display of the advertisements referred to in Part I hereof in accordance with the application and plans submitted and subject to the following conditions:

Subject to the following standard conditions:

1. No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.
2. No advertisement shall be sited or displayed so as to –
 - endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - obscure, or hinder the ready interpretation of, any traffic sign, railway sign or aid to navigation by water or air; or
 - hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.
3. Any advertisement displayed, and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.
4. Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a condition that does not endanger the public.
5. Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

6. The approval is for a period not exceeding five years from the date of this consent.

And subject to the following additional conditions:-

- 7 The digital advertising unit hereby granted consent shall not be installed until the two existing double-sided 48 sheet displays, as identified on RSMWCS1REV2 Site Plan Current Layout, have been completely removed from the site.
- 8 The maximum level of luminance of the advertisement sign hereby permitted shall not exceed the relevant thresholds contained within the Institute of Lighting Professionals guidance document 'Professional Lighting Guide 05 - the Brightness of Illuminated Advertisements' 2014, or any guidance updating or replacing it, and shall not exceed 3000 candelas per square metre between sunrise and sunset and 300 candelas per square metre between sunset and sunrise.
- 9 The advertisements displayed on the digital advertising unit hereby granted consent shall:
 - o contain static and two-dimensional images only;
 - o not include moving, or apparently moving, images, devices, wording or emblems;
 - o not depict images that resemble road signs or traffic signs or traffic signals;
 - o include no additional effects (including, but not limited to audio, odours, smoke, flashing, scrolling, intermittent or video elements).
 - o not change more than once every 10 seconds;
 - o not involve message sequencing for the same product; and
 - o not include features or equipment which would allow interactive messages or advertisements to be displayed.
- 10 The display shall at all times maintain a safety feature that will turn the screen off (i.e. shows a black screen) in the event that the display experiences a malfunction or error.
