## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including any change of use

Installation of 11 x 8m hinged lighting columns around the perimeter of the yard with a 300w LED flood light mounted on the top of each column.

Nine columns around carpark 5 and Two columns at the side of carpark 2.

All the lights will face in and down towards the parking areas. They will be controlled from a photo cell and time clock.

The lights will only be ON from 0630 to 1800 and when dark within this times.

These lights will replace the 2 old 25m lighting masts mounted within the yard which are structurally unsafe.
