

Town and Country Planning Act 1990 (as amended)

PLANNING PERMISSION GRANTED

APPLICATION REFERENCE: 24/00178/FUL

Name and address for correspondence:	Applicant name:
Mr Barry Murphy Triangle Architects Lower Ground Floor 4 Jordan Street Manchester M15 4PY United Kingdom	Mr Andrew Stott Rochdale Borough Council - Property Services

Part I - Particulars of Application

Date of 27 March 2024
Application:

Proposal:	Installation of Air Source Heat Pumps (ASHP) and associated equipment/ boundary enclosure works
Location:	Castleton Community Centre , Manchester Road, Rochdale, OL11 3AF

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **GRANTED SUBJECT TO CONDITIONS** for the carrying out of the development referred to in Part I above.

The Council hereby permits the above development in accordance with the details given on the application form and subject to the following condition(s):

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 This permission relates to the following plans:-

- Proposed heat pump enclosure: CAS - TRI - ZZ - ZZ - DR - A - 3201
- Existing and proposed elevations: CAS - TRI - ZZ - ZZ - DR - A - 3200
- Proposed site plan: CAS - TRI - ZZ - ZZ - DR - A - 3020
- Existing site plan: CAS - TRI - ZZ - ZZ - DR - A - 3010
- Location plan: CAS - TRI - ZZ - ZZ - DR - A - 3000

- Noise Impact Assessment, Varsity Consulting Ltd.: NCSL 1250A

and the development shall be carried out in accordance with these drawings hereby approved.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy, the saved Rochdale Unitary Development Plan and the National Planning Policy Framework.

- 3 The development hereby approved shall not be first brought into use until the acoustic fence has been constructed in complete accordance with the recommendations of the submitted Noise Impact Assessment ref. NCSL 1250A by Varsity Consulting Ltd. dated 16/02/2024. The fence shall be retained as such at all times thereafter.

Reason: In the interest of amenity and in compliance with policies G9 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Procedure Statement:

Date Decision Issued 28 May 2024

Melanie Hale
Head of Planning Services

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:

The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

INFORMATIVE:

The applicant is reminded of the need to submit and obtain formal approval of those details required by the conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is currently subject to payment of an additional fee per request: £34.00 for householder applications and £116.00 in all other cases.

INFORMATIVE:

The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from coal mining. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological fissures; mine gas and previous surface mining sites. Although such hazards are often not readily visible, they can often be present and problems can occur as a result of development taking place, or can occur at some time in the future.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required, be submitted alongside any subsequent application for Building Regulations approval.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.

INFORMATIVE:

The applicant is advised that the supply and delivery of refuse containers (including all wheelie bins and food waste caddies) for residential developments is chargeable and the responsibility for these charges rests with the applicant/developer. The cost is based on a variable rate per property depending on the property size and number of bedrooms but as an indication, the present charge for a suite of three 240l recycling bins and one 240l refuse bin is £144 per residence. Please contact environmental.management@rochdale.gov.uk for a quotation for your development.
