This Authority hereby certifies that on 6 June 2025, the use described in the First Schedule to this Certificate in respect of the land specified in the Second Schedule and edged in red on the plan attached to this certificate **would be LAWFUL** within the meaning of Section 192 of the Town and Country Planning Act 1990 (as amended) for the following reason(s):

Reasons:

The proposed use of the building for one child and two carers on a shift basis providing care would be a change of use from C3 to C2 however the change is not considered to be material, and therefore does not comprise development within the meaning set out within section 55 of the Town and Country Planning Act (1990) and would not require planning permission.
