Quoted Reply:

"As long as you are not proposing to come forward of the building line (such as installing a bay window) it is unlikely that you would require planning permission, however, if you would like formal confirmation of this you would need to apply for a certificate of lawfulness:-

The above advice is made informally and without prejudice and cannot be taken to constitute a formal decision by the Council. If a formal decision on the matter is sought, an application should be made for a certificate of lawfulness."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Interest in the Land

Please state the applicant's interest in the land
