Our reference: 2024/0501

Date: 23rd April 2025

Dear Sir / Madam

Location: Land At Rochdale Road And Bamford Road Turn Village

Proposal: Full: Construction, management and operation of a Battery Energy Storage System (BESS) with associated infrastructure, including access, drainage, security measures and landscaping and provision of a connecting cable along Croston Close Road.

Consultation Request

I enclose herewith details of an application which I have received for permission under the Town and Country Planning Act 1990, to carry out the development described, together with a copy of the attached details.

In order to assist the Council in arriving at a decision I shall be glad if you will let me have your views on the proposal by no later than 14th May 2025, if I have not received a reply by this date, I will assume that you have no comments.

If you do make comments or objections regarding the application, these will be taken into account in the Council's consideration of the planning application. I would ask you to return your comments to planning@rossendalebc.gov.uk application number quoting 2024/0501.

For further advice on this application please contact the case officer direct, detailed above.

You can view the application on <https://www.rossendale.gov.uk/> or by clicking the link below:
