Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

This is a 5-bed residential property. We purchased the property on the 20th January 2023. As far as we know the previous owner did not violate any planning regulation.

Now we have decided to change of use of the property from a residential dwelling to 6 bed on suit HMO within the permitted development. We do not need to carry out any major work on the property or alter the current layout. We are just going to refurb the property to make it habitable according to the regulation the local council may have for HMOs. We are not going to violate those requirements that have been set by the local authority. So according to our understanding, the proposed change of use is lawful under the permitted development.

We are not going to do any work that may impact neighbors.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

We do not need any planning permission because the current change of use is under the permitted development. We are enclosing drawings of the existing and proposed use.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C4 - Houses in multiple occupation

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The work we are going to do will be in accordance with local HMO regulations. We will not violet or do any activity that may breach a planning condition or impact neighbors. So So a certificate for a Lawful Development Certificate (LDC) should be granted.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
☒ The applicant
☐ Other person

Has assistance or prior advice been sought from the local authority about this application?
