	Contrary to previous decision?	N
	Called in or Planning Panel objection?	N

COMMENTS	Planning Panel comments received?	N
	Neighbour comments received?	N

CONDITIONS	Pre-commencement conditions proposed?	N
	Pre-commencement conditions agreed (or notification period expired)?	N

Location

The application relates to 8 Farlands Rise; a two-storey detached property in Burnedge, Rochdale. The site is located on a residential estate situated between the M62 to the south and Kingsway Business Park to the east. The area is suburban in character, comprising houses of a similar design and material palette, quiet streets, and vegetation.

No. 8 sits at the foot of a cul-de-sac, facing west and overlooking a driveway and the public highway. It is flanked by no. 7 to the north and no. 9 to the south, whilst the rear boundary faces east, bordering a thick line of mature trees separating the site from Kingsway Business Park.

Description of Proposal

Permission is sought for a single-storey rear extension with a flat roof, a roof lantern, a set of bi-folding doors, and two floor-to-ceiling windows. Proposed materials include red brick and UPVC fenestration to match the host dwelling. The extension would measure 10m (width) X 4m (depth) X 3.1m (height).

Places for Everyone Joint Development Plan (PfE)

The Places for Everyone Joint Development Plan was adopted and became part of the statutory development plan for each of the 9 authorities covered by the plan on 21st March 2024. The following policies are relevant:

JP-P1 Sustainable places

Local

Saved Rochdale Unitary Development Plan (UDP) 2006:

G/D/1 Defined Urban Area

Adopted Rochdale Core Strategy (CS) 2016:

The Rochdale Core Strategy was adopted on 19th October 2016. The following policies are relevant:

P3 Improving Design of New Development
DM1 General Development Requirements
T2 Improving Accessibility
Appendix 5 Schedule of Parking Standards

Supplementary Planning Documents (SPD): Supplementary Planning Document 'Guidelines and Standards for Residential Development' (2016).

Amendments

None

Assessment

Design: DM1 and P3

When read collectively, the NPPF, policies P3 and DM1 of the Core Strategy, and policy JP-P1 of Places for Everyone seek to achieve development of high quality design, by respecting context where it is positive and having regard to the scale, density, massing, height, layout, landscape, materials and access of surrounding buildings and areas in general. Development should function well and add to the overall quality of an area by being visually attractive as a result of effective architecture, layout and landscaping. Paragraph 5.1 of the SPD also states that housing extensions should be in keeping with the host property and generally should be subservient to it.

Considering the setting and scale of the proposed development a simple assessment of whether it accords with the following design principles is appropriate:

Impact on street scene, including subservience, terracing and building line	yes
Height and massing	yes
Facing materials and detailing	yes
Roof style	yes
Window proportions	yes
Bin storage	yes
Impact on trees	yes

The design of the proposal is therefore acceptable and accords with policies DM1 and P3 of the adopted Rochdale Core Strategy, the SPD and the NPPF

Amenity: DM1 and SPD

The Council's adopted Core Strategy policy DM1 states that proposals need to demonstrate that they do not adversely affect the amenity of residents or users through visual intrusion, overbearing impact, overshadowing or loss of privacy. Paragraph 5.1 of the SPD states that extensions 'should be carefully designed to protect the amenity of the occupants of adjoining properties.' Additionally, the National Planning Policy Framework (NPPF) advises that planning should always seek to secure a good standard of amenity for all existing and future occupants of land and buildings.

In view of the above, paragraph 5.6 of the SPD sets a maximum standards of a 4m projection for single-storey rear extensions to detached properties. The proposed extension would project 4m, and by virtue of its compliance with the SPD, would not adversely impact on the amenity of neighbouring occupants.

In addition, the proposed development would retain an acceptable level of amenity for future occupants of the applicant property, as all habitable rooms would be served by adequate outlook and natural light.

Overall the proposed development is therefore acceptable in accordance with policies DM1, the SPD and the NPPF.

Highways and Parking: DM1 and T2, Appendix 5

The proposed development would have no bearing on the existing parking arrangements, and is therefore acceptable in accordance with policies T2 and DM1.

Recommendation:

Grant subject to the following conditions:

1. The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

2. This permission relates to the following plans:

- Site and location plans: 3831.3
- Proposed elevations, floor plans, and site plans: 3831.2

and the development shall be carried out in accordance with these drawings hereby approved.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the saved Rochdale Unitary Development Plan, the adopted Rochdale Core Strategy and the National Planning Policy Framework.

3. The materials used in the construction of the exterior of the development hereby permitted shall match those used in the construction of the exterior of the existing building in colour, form, type, size and texture.

Reason: In order to ensure a satisfactory appearance in the interests of visual amenity in accordance with policies P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Article 35 Statement

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.
