Part II - Particulars of decision

The Rochdale Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 that approval has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted for the following reason(s):

Reasons:

- 1 The site is located within Middleton Town Centre Conservation Area and in close proximity to a number of Heritage Assets which contribute group vale and are dominant features within the townscape. The proposed 25m high monopole by reason of its significant scale, siting and appearance, would fail to sit sympathetically with, and respond positively to, the conservation area and surrounding heritage assets. The proposal would result in less than substantial harm to its significance. By reason of its siting and scale, the proposed monopole would also give rise to an unacceptable impact to the character and appearance of the area and would comprise a wholly inappropriate addition to the townscape. In addition, the proposals would set a dominant and incongruous feature in a prominent location. In the absence of a comprehensive assessment of alternative sites for the proposed development it is not possible to definitively conclude that there are no more suitable sites reasonably available that would result in a lesser degree of visual harm, and the public benefits of the proposal are not considered to outweigh the less than substantial harm identified. On this basis the application is contrary to Policies P1, P2, P3, and DM1 of the adopted Rochdale Core Strategy, Policies JP-S4, JP-P1, JP-P2 and JP-C2 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.
