Assessment

Design and Visual Amenity: Are the following acceptable?

Impact on street scene, including subservience, terracing and building line	✓
Height and massing	✓
Facing materials and detailing	✓
Roof style	✓
Window proportions	✓
Bin storage	✓
Impact on trees	✓

The proposed front elevation of the extension would not include any windows, as such it would result in a large expanse of brickwork to the front elevation of the dwelling. However, as the dwelling is situated within the corner of a cul-de-sac, there would be limited views of the extension. Furthermore, the extension is set back 1m from the front elevation of the dwelling, further reducing the visual harm of the proposed extension.

The design of the proposal is acceptable on balance and accords with policies DM1 and P3 of the adopted Rochdale Core Strategy, the SPD, PfE and the NPPF.

Residential Amenity: Are the following acceptable?

Impact on privacy, light & outlook of neighbours (to sides, rear and front)	✓
Light and outlook of application property	✓
Remaining garden space of application property	✓

The proposal is therefore acceptable in terms of residential amenity and accords with policy DM1 of the adopted Rochdale Core Strategy, the SPD, PfE and the NPPF.

Highways and Parking: Are the following acceptable?

Impact on highway safety	✓
Parking provision	✓

The proposal is therefore acceptable in terms of highways and parking and accords with policy T2 and Appendix 5 of the adopted Rochdale Core Strategy and the NPPF.

Recommendation: Grant subject to the following conditions

1. The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

- Existing Elevations and Site Plan. Dwg no. 2149/2
- Proposed Floor Plan and Site Plan. Dwg no. 2149/3
- Proposed Elevations. Dwg no. 2149/4

and the development shall be carried out in accordance with these drawings hereby approved.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the saved Rochdale Unitary Development Plan, the adopted Rochdale Core Strategy, the Places for Everyone Joint Development Plan and the National Planning Policy Framework.

3. The materials used in the construction of the exterior of the development hereby permitted shall match those used in the construction of the exterior of the existing building in colour, form, type, size and texture.
