Part I - Particulars of Application

Date of Application: 10 October 2022

Proposal:	Part two storey and single storey rear and two storey side extension with two front dormers, alteration to side elevation fenestration following demolition of existing rear conservatory and attached garage, addition of a garden room/shed and enlargement of driveway
Location:	3 Marsden Close, Rochdale, OL16 4SD,

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **REFUSED** for the carrying out of the development referred to in Part I hereof for the following reason(s).

Reasons:

- 1 By virtue of its siting and proximity to no.5 Marsden Close, the proposed part two storey and single storey rear and two storey side extension would result in a detrimental loss of privacy to the neighbouring side elevation. As such, the proposal would not comply with the SPD spatial standards and would fail to adhere to Policy DM1 of the Rochdale Core Strategy, the Council's 'Guidelines and Standards for Residential Development' SPD and the National Planning Policy Framework.
- 2 By reason of their excessive scale and poor design, the proposed extensions, including dormers, will result in a considerable change to the character of the original bungalow and fail to be servient to it. The proposal will detract from the quality of the area, contrary to Policies DM1 and P3 of the Rochdale Core Strategy, the Council's 'Guidelines and Standards for Residential Development' SPD and the National Planning Policy Framework.

Procedure Statement:

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application.
