Description

Please describe details of the proposed development or works including any change of use

Our proposal endeavours to breathe new life into Heywood Civic Centre by aligning it with the long-term vision set forth by the Arts Council for England. Our mission is clear: to ensure the continued relevance and vitality of this cherished institution. To achieve this, we aim to expand its offerings, diversify its audience, and create a dynamic cultural hub that resonates with the evolving identity of Heywood. Through investments in technology, community engagement, and the activation of Peine Square, we aim to create a vibrant cultural hub that empowers Heywood's diverse community, fostering creativity and collaboration for future generations. This is not just a renovation; it is a celebration of Heywood's past, present, and future. In pursuit of this aim, the benefits our proposal offers are threefold:

1. **Enhancing the Auditorium:** We propose a comprehensive modernisation of the auditorium, investing in state-of-the-art technology and accessibility features. This will benefit both patrons and performers, ensuring a world-class experience for all.
2. **Strengthening Community Engagement:** We envision strengthening the bond between the community and arts providers such as Your Trust and Cartwheel Arts. This will involve the development of a comprehensive social infrastructure around the auditorium, fostering a sense of ownership and participation.
3. **Activating Peine Square:** To create a more inviting and informative civic centre, we plan to revitalize Peine Square, turning it into an attractive and vibrant frontage. This transformation will not only enhance the aesthetic appeal but also highlight the cultural significance of Heywood Civic Centre to the community.
