Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☒ An existing use
- ☐ Existing building works
- ☐ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

C3 - Dwellinghouses

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The home is currently being used as a single occupancy children's residential care setting, following a local authority placement under a Section 20 order. The full property at 13 Harry Street is being used for this purpose, with a single child in occupancy supported at all times by two members of staff. We believe this use falls within existing C3 permissions and we are seeking a Certificate of Lawfulness on this basis.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- ☐ The use began more than 10 years before the date of this application
- ☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☒ The use as a single dwelling house began more than four years before the date of this application
- ☒ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

If the certificate is sought on 'Other' grounds please give details

The request is sought on the grounds that there is no material change in the manner of use of the property. We do not believe it constitutes development.

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes
☒ No

Please state why a Lawful Development Certificate should be granted

A certificate of lawfulness is required for an existing change of use from a C3(a) to a C3(b) usage for the occupation of one child or young person (aged between 4-18 year old) with up to two full time carers working on a rota basis to ensure there is always one person at home with the child or young person at all times. This would emulate a traditional family living arrangement and would not constitute a material change in the manner of use of the property. The home is currently being used as a single occupancy children's residential care setting following a local authority placement under a Section 20 order, hence we are seeking the certificate of lawfulness on an emergency basis.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
