Details of the pre-application advice received

Having waited 4 months for outcome of pre application we are told we now need planning permission to K render in white the front of the property. This is only a small area taking into account the large bay window, bedroom window, a large porch and garage door there is little brickwork left. The largest amount of K render would be for the wooden apex.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
