

Application Number:	23/00798/HOUS
Location:	Carrick , 111A Rochdale Road, Milnrow, Rochdale, OL16 4DU
Proposal:	Single storey rear extension following demolition of existing single storey rear outrigger – Retrospective
Applicant:	Mr Jonathan Gilberston
Case Officer:	Sam Yuen
Recommendation:	Grant subject to conditions

DELEGATION	Applicant a Council Member or officer?	N
	Contrary to previous decision?	N
	Called in by Ward Member?	N

By indicating that the development proposal complies with relevant national and local policy and the 'Guidelines and Standards for Residential Development' Supplementary Planning Document, the planning officer is taking into account the information submitted with the application, any previous relevant applications, observations during any site visit, any comments received in connection with the application and any other considerations which are material to the decision.

Assessment

Design and Visual Amenity: Are the following acceptable?

Impact on street scene, including subservience, terracing and building line	✓
Height and massing	✓
Facing materials and detailing	✓
Roof style	✓
Window proportions	✓
Bin storage	✓
Impact on trees	✓

It is noted the submitted plans indicate the proposed single-storey rear extension to be constructed in grey slatted cladding, which would not match with the brickwork of the host dwelling. However, given the siting of the extension to the rear of the dwelling, which ensures the development is largely screened from public vantage viewpoints on the highway, the proposed development would on balance be acceptable.

The design of the proposal is therefore acceptable and accords with Policies DM1 and P3 of the adopted Rochdale Core Strategy, the SPD and the NPPF.

Residential Amenity: Are the following acceptable?

Impact on privacy, light & outlook of neighbours (to sides, rear and front)	✓
Light and outlook of application property	✓
Remaining garden space of application property	✓

The proposal is therefore acceptable in terms of residential amenity and accords with Policy DM1 of the adopted Rochdale Core Strategy, the SPD and the NPPF.

Highways and Parking: Are the following acceptable?

Impact on highway safety	✓
Parking provision	✓

The proposal is therefore acceptable in terms of highways and parking and accords with Policy T2 and Appendix 5 of the adopted Rochdale Core Strategy and the NPPF.

Recommendation: Grant subject to the following conditions

1. The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

2. This permission relates to the following plans:
 - Location Plan and Existing Site Plan – Drawing No. R-0732-05 Rev. A dated 01/12/2022
 - Location Plan and Proposed Site Plan – Drawing No. R-0732-05 dated 05/2022
 - Existing Floor Plans and Elevations – Drawing No. R-0732-01 Rev. C dated 16/08/2023
 - Proposed Floor Plans and Elevations – Drawing No. R-0732-02 Rev. C dated 16/08/2023

and the development shall be carried out in complete accordance with these drawings hereby approved.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the saved Rochdale Unitary Development Plan, the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Article 35 Statement

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.
