Description of Proposed Works

Please describe the proposed works

Original planning submission was for demolition of existing detached garage, proposed attached garage, front canopy, single storey rear extension with rised patio. Reconfiguration of facade material treatments and proposed detached garden outbuilding.

Planning permission was already been gained under 22/00350/HOUS while we have started the building works we have come up against an issue of a waste pipe from the neighbouring properties running under where the proposed garage wall was to be lengthened. In consultation with building control we propose to keep the existing back wall of the garage in line with current property, so to not affect this pipework. Also we propose to keep the existing side wall of the garage to the neighbouring property and make good as this will protect their driveway which is butted up to the wall. As the walls are now in line with the property we propose a change what was planned initially as a flat roof. to a pitch roof to match the house roofline to improve the aesthetics of the property, this wasn't initially proposed due to the additional length of garage would have been a complex roof structure.

We would like to amend the positioning of the skylight from over the utility as the back door will allow light in now, as the garage remains existing lengh. The new position being over the bedroom to allow improved ventilation while maintaining security.

There is a proposed roof tile change this was initially down as an antique brown tile. The original tiles were dark grey but weathered to appear brown. Neighbouring properties have a range of black, grey or red roof tiles. We propose a Donard roof tile in black to modernise the property in keeping with how other properties have modernised in the area.

In summary:

- 1) Change in materials - roof tile - Black Donard
- 2) Change in non material amendment - position of roof light from utility to over bedroom
- 3) House holder planning resubmission - garage to stay current length and use existing back and neighbour side wall. Pitch to the roof.

Details of the pre-application advice received

This wasn't so much pre-application advice. The advice from Mr Melling as the project has been approved, apart from some changes. It was to resubmit a free re-submission with the amendments as discussed so that they could be considered all together.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)
