Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

☒ Yes

☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposal is for a single-storey outbuilding as follows:

- Floor area: approximately 15 square metres
- Height: 2.5 metres overall (flat roof)
- Location: within the rear garden, 2 metres from the nearest boundary on the back but less than 2 metres at the side boundary
- Coverage: less than 50% of the total garden area
- Use: workspace

There is no need for new access, no changing layout on the street. Any further detail can be seen on the plans.

Does the proposal consist of, or include, a change of use of the land or building(s)?

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is a lawful dwelling, and the land forms part of its established residential curtilage. There has been no change of use.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I understand that under Schedule 2, Part 1, Class E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), certain outbuildings can be constructed without the need for full planning permission, provided they meet the relevant criteria regarding height, position, and use. The proposal is for a single-storey outbuilding with

Floor area: approximately 15 square metres

Height: 2.5 metres overall (flat roof)

Location: within the rear garden, 2 metres from the rear boundary and less than 2 metres at the side boundary

Coverage: less than 50% of the total garden area

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Please state the applicant's interest in the land
