Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements or access the fire statement template and guidance.](#)
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods.](#)

Description

Please describe details of the proposed development or works including any change of use

The work is to form two rugby playing pitches on the old playing fields of Balderstone Technology College. Around the outside of the pitches there will be a perimeter anti-climb green fence at 2m around the whole area as seen on Drawing. Also, there will be two dual goalpost containers which be used for storage and then there will be some associated landscape works including planting and the installation of benches. See drawings for more details.

There was permission granted for the formation of one U13/U14 football pitch, one U15/U16 football pitch with ball stop fencing, and the siting of two dual purpose goalpost storage containers / benches and associated landscape works under planning application 17/00531/FUL. There is only a change in the use of the pitch from football playing pitch to rugby playing pitches. Also there is no need for ball stop fencing so this has been removed.
