Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

This application proposes a new landscaping and planting scheme to Broadfield Park Slopes, repairs to the Packer Spout Fountain and Steps and new interventions to increase accessibility across the site.

The works proposed in this application include the Grade II Listed Park and Gardens of Broadfield Park and the Grade II Listed Market Cross at Packer Spout Fountain and Steps and are sited within the Rochdale Town Centre Conservation Area.

Has the development or work already been started without consent?

- ☐ Yes
☒ No

Listed Building Grading

What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

- ☐ Don't know
☐ Grade I
☐ Grade II*
☒ Grade II

Is it an ecclesiastical building?

- ☐ Don't know
☐ Yes
☒ No

Demolition of Listed Building

Does the proposal include the partial or total demolition of a listed building?

- ☐ Yes
☒ No

Immunity from Listing

Has a Certificate of Immunity from Listing been sought in respect of this building?

- ☐ Yes
☒ No

Listed Building Alterations

Do the proposed works include alterations to a listed building?

- ☒ Yes
☐ No

If Yes, do the proposed works include

a) works to the interior of the building?

- ☐ Yes
☒ No

b) works to the exterior of the building?

- ☒ Yes
☐ No

c) works to any structure or object fixed to the property (or buildings within its curtilage) internally or externally?

- ☒ Yes
☐ No

d) stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?

- ☐ Yes
☒ No

If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed. Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).

Please see the Design and Access Statement for information

Materials

Does the proposed development require any materials to be used?

- ☒ Yes
- ☐ No

Please provide a description of existing and proposed materials and finishes to be used (including type, colour and name for each material) demolition excluded

Type:

Other

Other (please specify):

Interpretation

Existing materials and finishes:

There is one known interpretation panel onsite that is in poor condition and it is advised by Environmental Management that this will be removed.

Proposed materials and finishes:

Please refer to the Design & Access Statement for this project's approach to interpretation design. It is important that new interpretation is conceived alongside the community, as such we propose general locations for interpretation opportunities and what these might be, but we are leaving scope for design alongside local engagement. A plan is included in the Design and Access Statement that identifies locations for interpretation and examples of how this might look.

Type:

Lighting

Existing materials and finishes:

Consideration has been given to the new proposed lighting for the adjacent Rochdale Town Hall project. There are also existing light fittings alongside the site that are typically modern metal posts to an aesthetic that detracts from this site.

Proposed materials and finishes:

Please refer to the 'Broadfield Slopes Architectural Lighting Planning Report' and the Design and Access Statement for details.

Type:

Other

Other (please specify):

Railings to Packer Spout and Steps

Existing materials and finishes:

There are currently some modern metal handrails from the late 20th century on site and there are simple mid 20th century metal railings to Packer Spout Fountain that are in poor condition

Proposed materials and finishes:

Please refer to the Design and Access Statement for information. -New railings are proposed to the Packer Spout Steps and Fountain to improve accessibility. Railings will be metal to painted finish, colour to be confirmed. - New railings are proposed alongside the landscaping works. These will be metal to painted finish, colour to be confirmed. - It is proposed that existing railings are upgraded to meet Structural Engineer requirements. These railings will be metal to painted finish, colour to be confirmed. The Design Team is conscious that it is important for the different railings to read as a cohesive set onsite.

Type:

Other

Other (please specify):

Paving

Existing materials and finishes:

- Existing yellow sandstone paving to Packer Spout Steps and Fountain (presumed York Stone) - Existing earth and gravel paving throughout the site

Proposed materials and finishes:

Please refer to the Design and Access Statement - Existing paving to Packer Spout Steps and Fountain to receive minor adjustments for insertion of tactile 'corduroy' paving, to colour to match the existing. Identified step nosings may also receive raised metal discs to highlight changes in levels. - Sudstech paving is proposed to new paths, colour to be confirmed

Type:

Other

Other (please specify):

Services

Existing materials and finishes:

The majority of existing services are concealed within the landscape

Proposed materials and finishes:

- New CCTV to painted metal finish, colour to be confirmed - New services to material and finishes to Engineer requirements. Where services will be exposed, the colour and materiality will be confirmed

Are you supplying additional information on submitted plans, drawings or a design and access statement?

☒ Yes

☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

Please refer to the following drawings in particular:

- Design and Access Statement
- Broadfield Slopes Architectural Lighting Planning Report

☐ Soakaway
☒ Main sewer
☒ Pond/lake

Trees and Hedges

Are there trees or hedges on the proposed development site?

- ☒ Yes
☐ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

- ☒ Yes
☐ No

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development

- ☐ Yes, on the development site
- ☐ Yes, on land adjacent to or near the proposed development
- ☒ No

c) Features of geological conservation importance

- ☐ Yes, on the development site
- ☐ Yes, on land adjacent to or near the proposed development
- ☒ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste?

- ☐ Yes
- ☒ No

Have arrangements been made for the separate storage and collection of recyclable waste?

- ☒ Yes
- ☐ No

If Yes, please provide details:

Green Waste will be taken to RBC Environmental Management's selected company and they will recycle it into compost. Waste in litter bins will be taken to general landfill.

Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units?

- ☐ Yes
- ☒ No

All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Note that 'non-residential' in this context covers all uses except Use Class C3 Dwellinghouses.

Ongoing commentary has been sought from the RBC Conservation Officer (Christiana Shovlin) on the proposal, to include a site visit on the 27.06.2023 and an update on the project status on the 19.10.2023.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☒ Yes
☐ No

If yes, please provide details of their name, role, and how they are related:
