Details of the pre-application advice received

Overall, it is considered that by reducing the width of the two storey side extension to the existing side extension width, setting back the front wall 0.5m at the first floor and setting down the ridgeline of the extension, the proposed development is likely to overcome the previous reason for refusal and is likely to be an acceptable addition to the host property.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
