Description of the Proposal

Please provide a description of the approved development as shown on the decision letter

Residential development (Use Class C3) comprising 14 residential units with associated access, car parking and landscaping following demolition of existing building

Reference number

21/01083/FUL

Date of decision (date must be pre-application submission)

10/05/2023

Please state the condition number(s) to which this application relates

Condition number(s)

Condition 13 - 'No development shall take place until a scheme for the discharge of foul and surface waters from the site has been submitted to and approved in writing by the Local Planning Authority. For the avoidance of doubt this scheme shall be based upon the submitted Drawing Layout, Drawing no. NW149-02-03 Rev D, dated 18th January 2022. The approved scheme shall be fully implemented prior to first occupation of the development and retained thereafter.

Reason: To prevent increased risk of flooding and to ensure satisfactory disposal of surface water from the site in accordance with Policy G8 of the adopted Rochdale Core Strategy, saved Policy EM/7 of the adopted Rochdale Unitary Development Plan and the National Planning Policy Framework.

Reason for pre-commencement condition: Drainage infrastructure will need to be implemented before above ground works take place and a scheme therefore needs to be agreed at the time of commencement.'

Has the development already started?
