Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Existing building operates as a primary school. Several planning applications have been submitted previously for alterations to the buildings. There are no proposals to change the use of the building.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The replacement windows and new external doors are over 5m away from a boundary and located at ground floor level on an elevation not visible from the highway. The proposed materials will match existing doors and windows elsewhere on the building. The part of the canopy to be removed is single storey and is positioned more than 5m away from the boundary.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
