This survey drawing is provided by Golden Triangle Architects for the sole purpose of facilitating initial planning discussions with our client. Please note that all measurements and representations of the surveyed area are approximate and must be independently verified on site by the client or any other party relying on this information.

The use of this survey drawing is subject to the following conditions:

On-Site Verification: All measurements and details represented in this survey drawing are to be confirmed on site by the client or their appointed representative. Golden Triangle Architects shall not be held liable for discrepancies between the survey drawing and site conditions.

Limited License: This survey drawing is licenced exclusively to our client and must not be transferred, shared, or used by any third party without prior written consent from Golden Triangle Architects. Unauthorised use or distribution of this survey drawing is prohibited.

For Golden Triangle's Outline Design Purposes Only: This survey drawing is intended solely for Golden Triangle Architects' preliminary design purposes. It should not be used as a basis for construction or final design work by a third party without further detailed surveying and independent verification. Golden Triangle Architects disclaims any liability for use of this survey drawing beyond its intended use. Any party relying on this information for construction or detailed design work must conduct their own site checks and bear full responsibility for any resulting issues, defects, damages, or losses.
