

The aerial site plan shows a proposed 100-unit apartment building (labeled '100 UNITS') situated on a triangular lot bounded by Finlay Road to the west, Starkehill Lane to the north, and Roswell Way to the south. The building is a large, light-colored structure with a blue-tinted section. A parking lot with 100 spaces is located to the north and west of the building. A red boundary line outlines the property. Callout 'C' points to a circular area in the parking lot, and callout 'D' points to a circular area near the intersection of Finlay Road and Roswell Way. The plan also shows existing landscaping, including trees and shrubs, and a 'PROPOSED' area for a new building or structure.

A diagram consisting of a circle with a vertical line segment inside it. The line segment is positioned such that it is tangent to the top of the circle. Above the line segment, the letter 'N' is written.
