

Officer Report

Case Reference: PL/2026/0217
Location: 62 COMPTON WAY, MIDDLETON, MANCHESTER, M24 2BY
Proposal: Single storey rear extension together with raised decked area, steps and glass balustrade following demolition of existing conservatory
Recommendation: Approve with Conditions
Officer: Luke Rigby

SITE

The application site consists of a two-storey semi-detached residential dwelling located to the south of Compton Way in a predominantly residential area of Middleton. The existing dwelling is constructed of facing brick with a pitched roof.

PROPOSAL

The application seeks planning permission for the construction of a single storey rear extension and construction of raised platform/terrace to the rear elevation. The application is partially retrospective with the rear extension having already been constructed.

ASSESSMENT

Design, character and appearance

The proposed single storey extension is in keeping with the character and appearance of, and is subordinate to, the original dwelling and surrounding properties, and the wider setting.

The proposed rear terrace would have a height of approximately 1.05m and a 0.9m high balustrade. The rear elevation of the dwellings along Compton Way are such that they are sited at a higher topography than Chale Drive to the rear elevation and they slope downwards towards the rear application site boundary; in most cases there is little screening to the boundary and therefore the rear elevations of these dwellings are readily visible from the public highway.

Notwithstanding this, the proposed development would be in keeping with similar types of development within the street scene; whilst it is acknowledged that the proposed would be slightly taller, it would not be significantly so and is not considered to appear incongruous or out of character.

As such it is considered that the proposed extension and alterations would be acceptable, in accordance with CS policies DM1 and P3, the SPD, PfE policy JP-P1 and the NPPF.

Residential amenity

Regard has been had to the relative positions of windows, separation distances, the orientation and height of buildings and boundary treatments. It is considered that the proposal would not have a significant adverse impact on health or quality of life, having particular regard to residential amenity.

It is noted that all habitable rooms within the application property would continue to receive an adequate amount of natural light and that a sufficient garden space would be retained.

Given the limited change in levels to accommodate the terrace, it is not considered that ordinary use of this space would give rise to unacceptable amenity impacts versus what could also be achieved under permitted development i.e. 0.3m over the highest ground level.

As such, it is considered proposed development would have an acceptable impact on the amenity of both the occupiers of the application property and the neighbouring properties, in accordance with CS policy DM1, the SPD, PfE policy JP-P1 and the NPPF.

Highways and parking

The application property would retain two off-street parking spaces and would have no unacceptable impacts upon highway safety in accordance with CS Policy T2 and CS Appendix 5.

Conclusion

Subject to the conditions set out below and taking into account the provisions of the development plan and all other material planning considerations, it is recommended that planning permission be granted.

SUMMARY OF THIRD-PARTY REPRESENTATIONS

None received.

SUMMARY OF CONSULTATION RESPONSES

None received.

PROCEDURAL STATEMENT

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. No significant problems have arisen during the consideration of this application, and the application has been determined in a timely manner, in accordance with the policies with the Development Plan.

Human Rights and Public Sector Equality Duty

The provisions of the Human Rights Act 1998 have been taken into account in the processing of the application and the preparation of this report. In particular, Article 6 (1), of the European Convention on Human Rights in relation civil rights and a fair hearing; Article 8 of the ECHR in relation to the right to respect for private and family life and Article 1 Protocol 1 of the ECHR in relation to the protection of property have all been taken into account.

In addition, the Equality Act 2010 provides protection from discrimination in respect of certain protected characteristics namely: age, disability, gender reassignment, pregnancy and maternity, race, religion, or beliefs and sex and sexual orientation. It places the Local Planning Authority under a legal duty to have due regard to the advancement of equality in the exercise of its powers including planning powers. Officers have taken this into account in the assessment of the application. In particular due regard has been afforded to the need to:

- eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act;
- advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Officers are satisfied that the application material and Officers' assessment have taken into account these issues.

The application has been considered in accordance with the Rochdale Equity, Diversity and Inclusion policy – Embracing All Voices (2024-2026), which seeks to promote a culture of equity, diversity and inclusion that benefit the community as a whole.

Recommendation: Approve with Conditions

Condition(s) (3)

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason – To comply with Section 91 of the Town and Country Planning Act 1990.

- 2 The development shall be carried out in accordance with the following plans and documents hereby approved: -
- Location Plan
 - DWG No. 3651 - 01 Rev A (Proposed Floor and Elevation Plans)
 - Proposed Site Plan

Reason – For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy, the saved Unitary Development Plan, and the National Planning Policy Framework.

- 3 The materials used in the construction of the exterior of the development hereby permitted shall match those used in the construction of the exterior of the existing building in colour, form, type, size and texture.

Reason – In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

Approval Reason(s) (1)

- 1 The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.
