4. Eligibility

Where the solar photovoltaic equipment is to be installed:

- **On a pitched roof**, would any part of the solar photovoltaic equipment protrude more than 0.2 metres beyond the plane of the roof slope (when measured from the perpendicular with the external surface of the roof slope); or
- **On a flat roof**, would any part of the solar photovoltaic equipment be higher than 1 metre above the highest part of the roof (excluding any chimney).

☐ Yes ☒ No

If you have answered yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Would any part of the solar photovoltaic equipment come within 1 metre of the external edge of the roof?

☐ Yes ☒ No

If you have answered yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Would the total electrical generation capacity of all the equipment installed on the building under permitted development rights (previously and in this proposal) be no more than 50 kilowatts?

☒ Yes ☐ No

If you have answered yes above, you have stated that the proposals will not exceed the 50 kilowatt 'microgeneration' threshold that would require a prior approval application to be made. You should not continue with this application, but you should ensure all other eligibility criteria for the permitted development right are met before starting work.

Would the solar photovoltaic equipment be installed on any part of the roof of a building that is:

- a scheduled monument (or the site contains one);
- a listed building (or within the curtilage of a listed building).

☐ Yes ☒ No

If you have answered yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.
