Banking Hub cabin fascia update (v15)

August 2025

Cabin fascia design principles: Equal sized logos

Front

CAUK logo 50% height of fascia and horizontally centred

- Banking Hub text centred. CAP height matched to CAUK logo height
- PO logo always right, height matched and spacing from edge to match CAUK logo and miss any alarm boxes etc.

Cabin fascia design principles: Equal sized logos

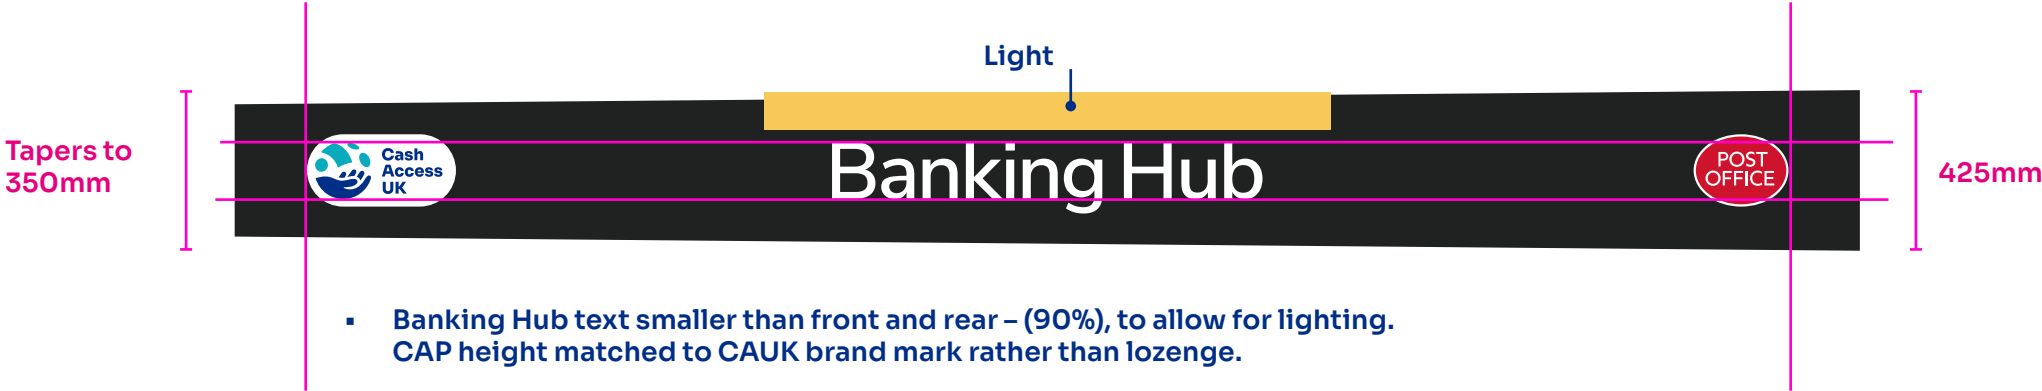

CAUK logo 45% height of fascia and horizontally centred to allow for narrower rear fascia.

- Banking Hub text centred. CAP height matched to CAUK logo height
- PO logo always right, height matched and spacing from edge to match CAUK logo and miss any alarm boxes etc.
