Part I - Particulars of Application

Proposal: Submission of details to comply with condition 6 (Phase I and II Geo-Environmental Site Assessment) of planning permission 20/01401/AM
Location: Land at Royle Road, Rochdale
Valid On: 6 March 2026

Your application for approval of details reserved by condition(s) has been dealt with and the details are set out below:

Condition(s) (1)

- 6 The development shall be carried out in accordance with the Phase I and II Geo-Environmental Site Assessment, reference 12-675-R1 and the remediation strategy detailed in the Remediation & Enabling Works Strategy, reference 11-778-R2, unless any variation is otherwise approved in writing by the Local Planning Authority. Following completion of the measures identified in the approved remediation scheme and prior to the occupation of each plot, a verification report that demonstrates the effectiveness of the remediation carried out on a plot-by-plot basis must be submitted to and approved in writing by the Local Planning Authority. In the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported in writing immediately to the Local Planning Authority. An investigation and risk assessment must be undertaken and where additional remediation is necessary a remediation scheme must be submitted to and approved in writing by the Local Planning Authority. Following completion of measures identified in the approved remediation scheme a verification report must be submitted to and approved in writing of the Local Planning Authority.

Reason: To prevent pollution of the water environment and to ensure the safe development of the site in the interests of the amenity of future occupiers in accordance with Core Strategy Policy G9 and the National Planning Policy Framework.

Decision: The submission which comprises the following documents is accepted:

- 11-778 V46 Garden Validation Letter, Plot 143, April 2025;
- 11-778 V50 Garden Validation Letter, Plot 147, July 2025;
