

The floor plan shows a rectangular building layout. On the left side, there is a large area labeled 'roof'. The main living area contains four bedrooms: one in the top left, one in the top right, one in the bottom left, and one in the bottom right. A central 'landing' connects these bedrooms. To the right of the top-right bedroom is a 'bathroom'. Another 'roof' area is located at the bottom right of the plan. The drawing uses simple lines to represent walls, doors, and furniture like beds and a staircase.
