LEGEND

- Handrail / Guarding:**
To outer side of ramp (as illustrated).Comprising slim profile PPC metal guarding and circular handrail, finished in black. Slim profile PPC metal handrail and guarding to outer edge of ramps (as indicated), finished in black with a simple, contemporary design to minimise visual impact.
- Ramp Construction:**
Ramps to be formed with a durable slip-resistant external surface finish in the locations indicated on the proposed site plan.
- Drainage Strip:**
Narrow gravel strip provided between the ramp and building façade to assist surface water drainage.
- Existing Pavement:**
Ramp constructed over existing pavement surface where practicable. Local removal of existing paving may be required to facilitate construction.
- Fencing and gates:** to secure rear yards and refuse/cycle stores, with ramps and steps provided where required for access.
- Access steps:** to rear yards where required (as illustrated)
