

## Reason for Protection

I would like to request a Tree Preservation Order.

The location of the tree is facing numbers 28/30 Lambourne Grove, Milnrow, Rochdale, OL164YA.

The tree has been in situ since the houses were built in the late 80's early 90's. The tree has reached a height of approx 30ft. I am not sure of the variety but it does have blossom.

I would like to see the tree protected for a number of reasons. It provides screening from the mill adjacent and is a habitat for birds and squirrels.

Please let me know if you need any further detail.
