PROJECTOR - 200W

SPECIFICATIONS

General informations

LED Type: **SMD**

Useful life: **30000 h**

Electric data

Power: **> 200W**

Equivalent Power: **1000W**

Tension: **AC 200-240V**

Frequency: **50 Hz**

Power factor: **>0.9**

Technical data

Light tone: **Cold light**

ColorTemperature: **6400K**

Luminous Flux: **16000 lm**

CRI: **>80**

Opening angle: **100º**

Shell details

Material: **Aluminium**

Color: **Black y grey**

Capacities

Regulable: **No**

Protection IP: **IP65**

Start time at 100% on: **0.001 sec**

Color stability: **<6**

On/Off cycles: **15000**

Additional Information

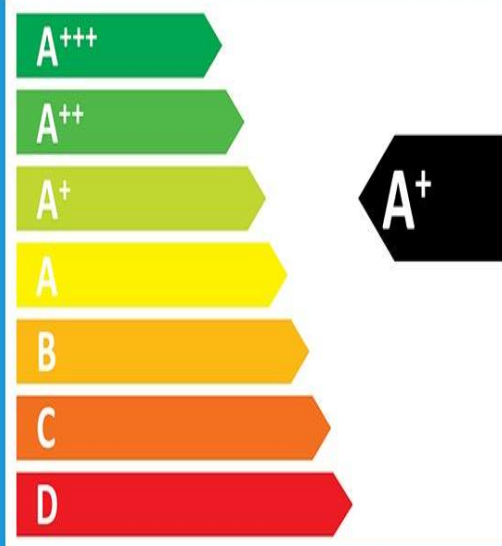

Warranty: **5 years**
