

PROPOSED ELEVATIONS

FRONT ELEVATION
Proposed

Proposed rooflights to increase natural light to second-floor studio.
Indicative front basement lightwells are shown on floor plans.
(Low level behind garden wall)

REAR ELEVATION
Proposed

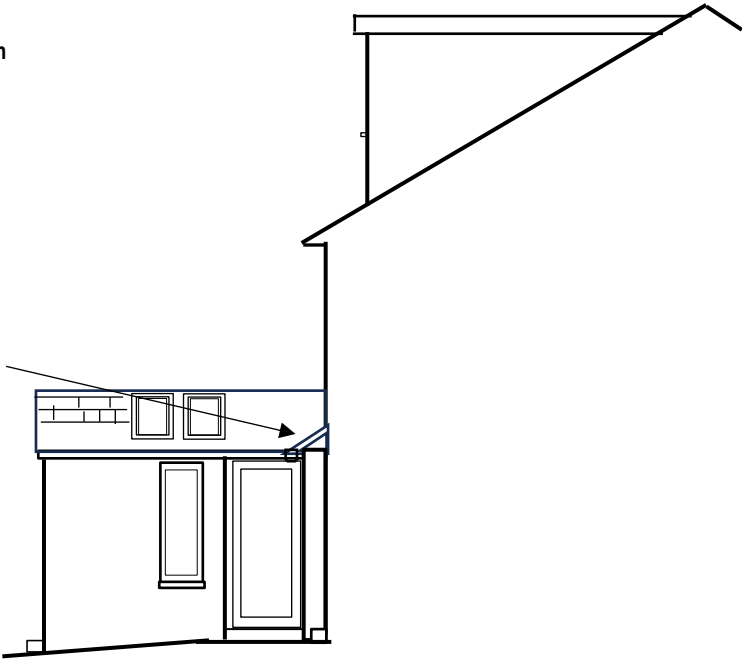

Existing conservatory to be removed and replaced with a single storey extension.
Proposed extension to have a smooth rendered finish.
Roof to match existing natural slate roof.

Dormer Extension
faced to match the
existing roofing
material

Small canopy roof
section over the
ground floor
bedroom window
to conceal soil
pipe which runs
over the window
and the soil stack
which is close to
the side of the
window.
(Previously concealed
within the conservatory)

SIDE ELEVATION (REAR)
Proposed

Projection from the rear wall of the
property to be the same as the
larger part of the current conservatory.

Roof lights on extension to increase natural
light to kitchen area.
