

Officer Report

Case Reference: PL/2026/0586
Location: 8 PIPERS CLOSE, ROCHDALE, OL11 5WD
Proposal: Single storey front extension.
Recommendation: Approve with Conditions
Officer: Luke Rigby

SITE

The application site consists of a two-storey detached residential dwelling located in a predominantly residential area of Rochdale. The existing dwelling is constructed of facing brick with a pitched roof and is accessed from a hardstanding drive from Pipers Close; a detached garage is found to the front elevation.

RELEVANT PLANNING HISTORY

21/00216/CPL – Application for a Certificate of Lawfulness for a proposed single storey rear extension. Approve

PROPOSAL

The application seeks planning permission for the construction of a single storey front extension.

ASSESSMENT

Design, Character and Appearance

Policy DP1 of the National Planning Policy Framework states that development proposals should respond to their context so that they integrate with and enhance their surroundings. Paragraph 2(g) of DP1 goes on to state that development proposals should create visually attractive, distinctive and characterful development to establish and maintain a strong sense of place and pride.

Locally, Policy DM1 of the adopted Rochdale Core Strategy requires development to be of high quality and to take the opportunity to enhance the quality of the area whilst Policy P2 states that development should enhance the Borough's identity and sense of place by respecting context where it is positive and having regard too scale, density, massing, height, and layout.

The application proposes the construction of a single storey extension to the front elevation of the dwelling with a pitched roof. The extension would project approximately 4.7m from the front elevation of the dwelling and would be sited

perpendicular to it. It is considered that the proposed extension would appear as a subservient and in proportion addition to the existing dwelling.

The application site is located off the end of a cul-de-sac and is therefore not widely visible from the surrounding street scene. The development would therefore largely be screened from view of the surrounding street scene and its impact on the visual character of the street scene would be limited.

Having regard to the above, the proposed development is considered to accord with Policies DM1 and P3 of the adopted Rochdale Core Strategy, Policy JP-P1 of the Places for Everyone Joint Development Plan, and the design provisions of the Housing SPD and the National Planning Policy Framework.

Residential amenity

Policy P3 of the National Planning Policy Framework states that development proposals should be appropriate to their location, taking into account the impact of the development on living conditions. It goes on to state that development proposals should not give rise to, or contribute to, unacceptable reductions of daylight/sunlight for neighbouring occupiers or give rise to unacceptable levels of noise pollution. This is reflected in Policy DM1 of the Rochdale Core Strategy, which requires development proposals to avoid adverse impacts on neighbouring amenity through visual intrusion, overbearing impact, overshadowing or loss of privacy.

Regard has been had to the relative positions of windows, separation distances, the orientation and height of buildings and boundary treatments. It is considered that the proposal would not have a significant adverse impact on health or quality of life, having particular regard to residential amenity.

It is noted that all habitable rooms within the application property would continue to receive an adequate amount of natural light and that a sufficient garden space would be retained.

As such, it is considered proposed development would have an acceptable impact on the amenity of both the occupiers of the application property and the neighbouring properties, in accordance with CS policy DM1, the Housing SPD, PfE policy JP-P1 and the NPPF.

Highways and parking

The application property would retain two off-street parking spaces, and would have no unacceptable impacts upon highway safety in accordance with CS Policy T2 and CS Appendix 5.

Conclusion

Subject to the conditions set out below and taking into account the provisions of the development plan and all other material planning considerations, it is recommended that planning permission be granted.

PROCEDURAL STATEMENT

Article 35 Declaration

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.

Human Rights and Public Sector Equality Duty

The provisions of the Human Rights Act 1998 have been taken into account in the processing of the application and the preparation of this report. In particular, Article 6 (1), of the European Convention on Human Rights in relation civil rights and a fair hearing; Article 8 of the ECHR in relation to the right to respect for private and family life and Article 1 Protocol 1 of the ECHR in relation to the protection of property have all been taken into account.

In addition, the Equality Act 2010 provides protection from discrimination in respect of certain protected characteristics namely: age, disability, gender reassignment, pregnancy and maternity, race, religion, or beliefs and sex and sexual orientation. It places the Local Planning Authority under a legal duty to have due regard to the advancement of equality in the exercise of its powers including planning powers. Officers have taken this into account in the assessment of the application. In particular due regard has been afforded to the need to:

- eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act;
- advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Officers are satisfied that the application material and Officers' assessment has taken into account these issues.

The application has been considered in accordance with the Rochdale Equity, Diversity and Inclusion policy – Embracing All Voices (2024-2026), which seeks to promote a culture of equity, diversity and inclusion that benefit the community as a whole.

Recommendation: Approve with Conditions

Condition(s) (3)

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason – To comply with Section 91 of the Town and Country Planning Act 1990.

- 2 This permission relates to the following plans and documents: -

Site Location Plan

DWG No. PT2-03 (Proposed Floor Plans)

DWG No. PT2-04 (Proposed Elevations)

DWG No. PT2-06 (Proposed Block Plan)

DWG No. PT2-00 (Location Plan)

and the development shall be carried out in accordance with these hereby approved.

Reason – For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy, the saved Unitary Development Plan, and the National Planning Policy Framework.

- 3 The materials used in the construction of the exterior of the development hereby permitted shall match those used in the construction of the exterior of the existing building in colour, form, type, size and texture or be those specified on the approved plans or application form.

Reason – In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

Approval Reason(s) (1)

- 1 The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.
