Bird Box - Multi Species

Hand crafted bird box from Western Red Cedar they will prove to be very durable and resistant to UK weather conditions. This multi-species bird box pack has a 32mm entrance hole, it has been designed to attract a wide range of garden birds and can also be used as an open fronted nesting box with the centre panel removed. When fixed side by side these 3x nesting boxes create a Sparrow Terrace.

Bird Nesting Box dimensions:

Exterior H290 x W140 x D 180mm
